VITA tax preparation is FREE for households with an income of \$55,000 or less. Taxes are prepared by IRS trained and certified volunteers.

Please consider promoting the free self-preparation tax tool “My Free Taxes” by placing the link on your website or in your electronic communications. The link is <http://www.unitedway.org/myfreetaxes/>. This simple interview based tool allows tax payers with incomes of \$64,000 or less, to prepare their federal and state returns free of charge from the comfort of their homes.

VITA tax preparation begins January 23, 2017 and continues through April 18, 2017 (due to a DC holiday).
