Dear Colleague,

The Consumer Financial Protection Bureau (CFPB) invites you to join a free webinar to learn about our multilingual resources for the limited English proficient and multilingual community on **Tuesday, May 19, 2020** from **1PM to 2PM ET**. This 60-minute webinar will showcase the CFPB's resources for limited English proficient communities. We will demonstrate how to find our resources, and how they can be utilized by consumers, practitioners, and industry stakeholders.

We will also highlight our multilingual materials pertaining to the COVID-19 pandemic and Disaster Preparedness and Recovery, including information about how to access relief under the Coronavirus Aid, Relief, and Economic Security (CARES) Act, which Congress passed to minimize the impact of the COVID-19 pandemic. Whether someone has experienced a loss of income or are targeted by a scammer, we have resources to help them remain protected during this difficult time.

In case you missed it, you can find many of our COVID-19 related resources and information at <https://www.consumerfinance.gov/coronavirus/>. These resources are available in English, Spanish, Chinese, Korean, Vietnamese, and Tagalog. You can also find additional CFPB resources available in these languages plus Arabic, Russian, and Haitian Creole, available for free at <http://promotions.usa.gov/cfpbpubs.html>.
